

National Senior Classical League General Assembly I July 24, 2020

Meeting began at: 10:05 pm

Announcements: None

Whizbangs: "That's the worst kind of hole." -Drew Alvarez

Rat Fact of the Day:

- rats rats rats rats
- Ancient Romans did not have a word to distinguish rats from mice. Instead they referred to them as big mouse (mus maximus) and little mouse (mus minimus). The modern black rat most likely spread across Europe during the Roman conquests
- Bonus fact:
 - Rats can scale brick or cement walls with ease, due to the long claws on their feet.
 - Rats can recognize individuals they have seen before
